

**WIN Health Labs, LLC**  
**Date of Issue: June 10, 2021**  
**Date of Expiration: June 30, 2021**

First off, we'd like to extend our sincere gratitude to all the staff of healthcare heroes who have continued to serve the frontlines over the past year during the COVID-19 pandemic. You're in the thoughts daily of all the employees at Whirlpool Corporation.

Over the past year, Dow Chemical Company, Volkswagen of America and Whirlpool Corporation completed a joint project to help provide much-needed respirators to the heroic men and women in healthcare who are working on the frontlines to combat the spread of COVID-19. WIN Health Labs, LLC manufactured and provided a new powered, air-purifying respirator.

Following further review of our PAPRs, we will no longer support any further sales or service after June 30, 2021 and will not extend NIOSH certification that allows for use under Emergency Use Authorization (EUA) expiration. June 30, 2021 is the expiration date to all PAPR's and accessories that are in the field today.

WIN Health Labs, LLC will no longer be supported as of July 1, 2021. Please discontinue use of this product prior to / on June 30, 2021.

If you have any questions, please feel free to reach out to Phillip D Swanson ([phillip\\_d\\_swanson@whirlpool.com](mailto:phillip_d_swanson@whirlpool.com)).

Notice will be posted on site: <https://winhealthlabs.com/>. Site will no longer be available after July 31, 2021.
